

Rules for opening after the end of the state of alarm

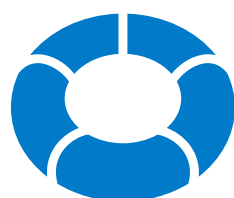

The maximum capacity in the swimming pool is 60%

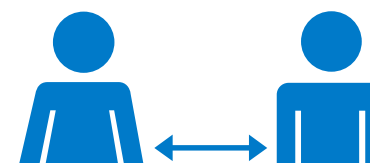

The wearing of masks is obligatory when entering, leaving and moving between the pool facilities

It is obligatory to disinfect your hands when entering the facilities

Items of communal use (floats and inflatables...) must be thoroughly disinfected

Maintain a minimum distance of 1.5 metres between people, towels and umbrellas

Changing rooms and showers can be used provided the maximum capacity is observed

Do not enter the facilities if you are showing any symptoms of Covid-19, a cough, high temperature or shortness of breath
